AUSTRALIAN UNLIMITED OPEN INBOARD & OUTBOARD CHAMPIONSHIP - no aero engines **RIVERSIDE TROPHY**

Trophy was donated for competition in 1980 by the Trustees of the Riverside Motorboat Club. The original Deed of Gift stated that the trophy must be contested between Boxing Day & New Year Day each year at Lake Wyangan, Griffith.

In 2006 after racing was no longer conducted at Griffith at this time of the year, the Deed was altered to allow the event to be contested at any venue, any time of the year, as per all other APBA championships.

Riverside Motorboat Club was formed in the 1930s, racing on the Georges River, Como. Noise issues forced the Club from this venue to Bonna Point on Botany Bay in early 1970. This exposed location did not suit the predominately outboard Club.

The Club folded in the late 70s and the Trustees of the Club finances, decided to donate this trophy for an Open event. The Trustees also donated two other Australian Championship trophies for outboard classes.
