

Dear Competitor

Please spare a minute to complete the Driver Profile on the reverse side of this flyer. If you don't have the time perhaps one of your crew or supporters could fill it in on your behalf.

Over the past months there have been many comments regarding the lack of current information and photo's on the National Website, and rightfully so.

National now has someone interested in updating the site; to do this we need your help! So please take this opportunity to give us the information you want on the website regarding your own race team.

If you have a current colored photo of your boat and team uniformed crew please email in a Jpeg format to apba@westnet.com.au. If you don't have a current photo there will be an opportunity to have one taken at Mildura on Saturday afternoon. Please note photos of crew - the crew **must** be in their team uniform.

We require the information not only to update the Association's website and to give to the Commentators so they have the correct and current information to pass on to the boat racing fans, it will also be used to promote our sport at the up coming UIM General Assembly commencing the 27th October 2008 and closing with "Power on the Gold Coast" race meeting November 1st & 2nd, 2008.

I do appreciate your assistance. Have a great weekend of racing, and keep safe.
